

MUHAMMAD SHAHZAIB

Web Developer

ABOUT ME

I am a passionate Software Engineer with expertise in web development, UI/UX design, and digital marketing. With 5 years of experience, I have successfully led multiple projects, creating visually stunning and highly functional websites. I have hands-on experience in leading a team of designers and developers, bringing creative ideas to life. My goal is to leverage my skills to contribute innovative solutions to your company.

EXPERIENCE

Web Developer

2022-2024

- Developed an interactive e-commerce website, increasing sales by 35%.
- Designed and implemented a user-friendly dashboard for clients.

Web Developer
